General Procurement Notice

The above named client intends to use part of the proceeds of a loan from, or Grant administered by, the European Bank for Reconstruction and Development ('the Bank') for the above named project. Additional financing details are as follows:

a loan from the European Bank for Reconstruction and Development (the Bank), from Client's own funds towards the cost of the above named project
Project to be co-financed by EBRD loan proceeds and Client's own funds.

The proposed project, which has a total estimated cost of 10,000,000.00 EUR, will require the procurement of the following:

- European Bank for Reconstruction and Development (EBRD) is considering providing a loan to Elektrani na Makedonija AD (ELEM) for financing the construction and operation of 10MW Photovoltaic plant (PV plant) adjacent to the existing TPP Oslomej. The plant will be constructed on the exhausted coal mine of the TPP Oslomej and the electricity produced will be directly sold in the nearby grid.

The Project is part of the strategy of ELEM to diversify its production mix away from coal and increase the production share from renewable energy sources which will provide clean energy in a country and a region with serious capacity shortages and high levels of carbon intensity.

The total estimated cost of the Project is up to EUR 10 Million, and it will require the procurement of the following goods, works and services for:

Supply and Installation of the Solar 10 MW PV plant

Tendering for the above contracts is expected to begin on 01/01/2019.

Contracts to be financed with the proceeds of a loan from/ grant administered by the Bank

will be open to firms from any country.

The proceeds of the loan from, or Grant administered by, the Bank will not be used for the purpose of any payment to persons or entities, of for any import of goods, if such payment or import is prohibited by a decision of the United Nations Security Council taken under Chapter VII of the Charter of the United Nations or under a law or official regulation of the Client's country.

Tendering for this project will be conducted by e-procurement using the EBRD Client E-Procurement Portal (ECEPP). Interested suppliers, contractors and consultants should register on ECEPP in order to receive notifications via this link:
